RE: *Mitel Cloud Services, Inc. – Request to Cancel Certificates of Public Convenience and Necessity and Withdraw Tariffs*

Dear Ms. Boyd:

Please find enclosed for filing the original and one (1) copy of this letter, by Mitel Cloud Services, Inc. (f/k/a Mitel NetSolutions, Inc., "Mitel" or "the Company"). Mitel, through undersigned counsel, hereby requests cancellation of its Certificates of Public Convenience and Necessity ("CPCNs") and the withdrawal of any applicable tariffs, effective as soon as possible.

Mitel was granted CPCNs to provide resold local exchange services in South Carolina in Docket No. 2007-155-C on 8/17/2007 and resold intrastate interexchange services in Docket No. 96-364-C on 4/10/1997. Mitel asserts that there are no customers whose service would be impacted by this cancellation.

Mitel's business model has continued to evolve and develop since the CPCNs were originally granted. Today, the Company serves its customers through VoIP and a variety of nomadic interconnected services as well as private business communication and collaboration solutions. Therefore, the CPCNs granted by the Commission are no longer necessary. Mitel will, however, continue to offer and provide VoIP services to customers throughout South Carolina in the future.

The public convenience and necessity will not be adversely affected by the action described herein. No customer is currently receiving regulated telecommunications services from the Company, and therefore, no customer will have service interruptions or disconnections. Mitel no longer provides regulated telecommunications services under its CPCNs in South Carolina and has not offered such services for several years.

All services offered by the Company are sold on a non-tariffed basis pursuant to individually negotiated commercial agreements with sophisticated business customers. Mitel does not serve any residential or mass market consumers.

To the best of its knowledge, the Company is current on all reporting and fee remittance obligations. There are no interested parties to which notice of this letter is required.

Wherefore, Mitel hereby requests cancellation or withdrawal of its South Carolina CPCNs and tariffs as soon as the Commission can take appropriate administrative action.

Please acknowledge receipt of this filing by date-stamping an extra copy of this letter and returning it to me in the self-addressed, stamped envelope provided.
